

SUMMER MUSIC CAMP SCHOLARSHIP APPLICATION

Sponsored by Yorkville Music Boosters
2019-2020

Summer music scholarships are available to any student in the amount of ½ the program fee or an amount not exceeding \$200 as booster funds allow. Each student is eligible to receive one scholarship per calendar year. Scholarship funds are not intended to pay for private lessons. Summer camp scholarships are intended to financially assist students that will bring back their experiences and knowledge to the Y115 Music Program. Camp applications and information about outside ensembles are available from the music directors and/or private instructors.

DEADLINE IS Wednesday, April 22nd, 2020

Prices of camps vary greatly based on the duration and demand. Some camps offer their own scholarship programs for particular instruments or out-of-state attendees. Please inquire to the camps about additional scholarship information. **When applying to your camp, please deduct the anticipated amount of this scholarship from your payment(s). Scholarship checks will be made payable directly to the Camp.** If your camp or program fee has already been paid in full, you are still eligible for this scholarship. Submit the scholarship to the Camp and the Camp will issue you a refund for any amount overpaid.
